STAT MEMORANDUM FOR:   
Director of Communications

SUBJECT : Expression of Thanks

1. On Sunday, 19 December, it became operationally necessary on very short notice to set up a teletype conversation with our Station in Vientiane. I spoke to your Commo Watch Officer who handled the matter with great efficiency and dispatch. Within an hour, he had a circuit to Vientiane open and working and had two very able young gentlemen up here to operate our equipment in this office. The conversation went smoothly and was most helpful.

2. Unfortunately, in the press of business I did not get the names of the Watch Officer or the two gentlemen who actually handled the conversation. Nonetheless, I would like to extend our thanks and appreciation to them and would be grateful if you would do so through . As usual, Commo came through in fine style when it was needed.
